Players who are overage and provide written authorisation can be offered dispensation to play in a younger age group. The player needs to be registered online and completed the overage application for the player flagged as overage. Any documentation required, such as a Football Victoria dispensation letter or medical information, are to be emailed to registrations@footballscool.com.au.

Each squad can only have a maximum of 5 players on the bench for U7-U13 and 7 players for U14-17. Only players listed on the team sheet will be allowed to play.

Repeated offending teams will be disqualified and affect the participation of their other club's teams at future events at the discretion of tournament management.

*Where a player holds a Football Victoria dispensation we may consider the application of 1 player at our discretion.

U8, U9, U10 and U11 Boys divisions will be able to apply for a maximum of (1) dispensations per team for a player who is up to 12 months older than then permitted age cut off (for example if the player is born in 2015 they can apply to play in the U8 competition)

It is important to note the following conditions must apply for a dispensation to be considered:

- The player be registered in the 2024 winter season with the team that's making the dispensation request
- A note attesting this is the case on official club letterhead signed by the President or Technical Director will need to be submitted via email to registrations@footballscool.com.au

All other Girls divisions do not have a limit however will be reviewed on a case-by-case basis.

All requests must be completed online via Cup Manager when registering the player and any supporting documentation must be submitted by email to registrations@footballscool.com.au

Girls are allowed to play in boys' age groups one year younger than the age cut off without dispensation. The application will still need to be completed online however it will be approved.

Overage players cannot play until they have been officially approved in the Cup Manager portal. Tournament Management reserves the right to apply any conditions it deems reasonable.

Team managers and coaches must ensure all players are the correct age for their age group and have the necessary documentation in case they are required to provide it to prove a player's age. Please refer to section 3.1 for details.

Players are allowed to participate in more than one team, as long as they are not in the same age group and they meet the necessary age requirements. i.e. an U12 player can play in an U13 and U12 comp but not in two U12 teams regardless of Copa or Liga.

Girls teams are eligible to play in a younger boys' age group at the discretion of Tournament Management. For example, an U14 girls team can play in an U13 boys' age group, where a suitable girls competition is not available. If the next available age group in the boys' competition is not offered, the team may be placed in an alternative category in order to provide the most appropriate level of competition to the teams involved.

Players are allowed to participate in more than one team, as long as they are not in the same age group and they meet the necessary age requirements. i.e. a U12 player can play in the U13s comp and the U12 comp.

3.3 OVERAGE PLAYER CHECKS

The procedure for ID Checks that **must be** followed is:

1. The Team Manager is to approach the nearest event staff member and request that you would like to request an ID Check on a particular player(s). Under no circumstances should this be done directly with the opposition.
2. An official ID Check Form will need to be completed via the Shepparton Cup App. A \$50 admin fee will be charged
3. Once the payment has been made, the Team Manager shows the receipt to the staff member. Event staff will conduct the ID check with the team in question.
4. If the player in question provides all necessary documentation, and is found to be of the correct age, the \$50 will not be refunded.
5. Should the player in question not provide the necessary documentation, or is found to be overage, the \$50 will be refunded and that player will either not be allowed to play if the game has not started, or your team will be provided with the points if it is deemed as a forfeit.

Digital or printed copies of the required documents will be accepted provided they are in colour, clear and legible. Please ensure a team official has this available at each match if requested by tournament staff.

Any teams that are found to be providing incorrect documentation or purposely playing older players to gain an unfair advantage will receive a 0-3 loss for any games the older players participated in. The ineligible players will also be disqualified from the tournament and offending teams may be disqualified from the tournament and other affiliated events. These actions may also jeopardise the participation of other teams from the same club at future affiliated events at the discretion of Tournament Management.

3.4 COPA AND LIGA COMPETITIONS

Some of the age groups have been classified into Copa and Liga competitions. These have been set up in order to place teams in their appropriate level and make the games more competitive across the board.

For teams coming from outside of Victoria, high level teams (NPL and the highest grades of community football) should participate in the COPA division. Please contact us prior to registering if you are unsure on which division to enter into.

Teams who choose to play in Liga competitions are required to provide a signed letter from the Club President or Technical Director stating that the team is entered into an eligible competition for the Winter 2024 Season or play to a similar standard. No letter is required from regional teams that play only in their local area competition.

Non-club teams (such as academy teams) are required to enter into to Copa competition unless approval is granted in writing by the Tournament Management Team prior to registering. Any requests can be emailed to registrations@footballscool.com.au.
