TOURNAMENT BEHAVIOR

In BK Amager we have a proud history of hosting youth tournament for the past 40+ years. In later years unfortunately we have experience more aggressive behavior especially directed from spectators towards referees and officials. BK Amager expects that everyone will behave decently and in a fair play manor at Amager Mini Cup. We believe that it is possible to combine a competitive tournament with good behavior.

It is an increasing problem to find referees to officiate basket games to tournaments in Denmark. BK Amager are using the tournament to mature our young referees, but we try to ensure that they participate alongside a more experienced referee. This is a process that will continue into the future including at Amager Mini Cup.

Violation of normal good-behavior may result in disqualification from the cup. We would like to remind all participants that this is a tournament for young boys and girls and that everybody should have a fantastic weekend no matter what level the individual is playing at.
