Once this has been completed the staff member will request ID from the player. If the player is found to be overage without approval then the money will be returned.

If you are asked to provide proof of a players age you must do so with appropriate documentation that can be in the form of FFA ID card, school ID, passport, birth certificate, learners permit or drivers license where applicable.

If the opposing team requests for one of your players to prove their age and you cannot produce reasonable proof, the player in question will not be allowed to participate in that game. The required proof will be at the discretion of tournament management.

Players who are overage and provide written authorisation can be offered dispensation to play in a younger age group. The player needs to be registered online and completed the overage application for the player flagged as overage. Any documentation required, such as a Football Victoria dispensation letter or medical information, are to be emailed to registrations@footballscool.com.au.
