### REVIEWS

#### KARLO Sydney United FC - NSW

"The competition is very professional, plenty of games and enough rest time in between. Played in it in 2019 and was even stronger in 2022.

Organizers were great to deal with throughout the whole tournament. Thanks for giving the kids an opportunity to play and express their passion and skills.

I look forward to coming back next year"

#### NOMES Freelance Futsal - VIC

"Sydney Futsal Cup turned out the be the very best run tournament I have been privileged to be apart of in this country ever.

Everything from the Atmosphere, the Tournament Staff, the Facility, the organisation, punctuality, the Sponsor, the on-site Food, the Referees and of course the Closing Ceremony - Just Wow!!!

Oh I almost forgot the trophies, nothing was shortcut there either, they were first class, just like the rest of the event.

I can't wait to do it all again"

#### THIRONE Gold Coast Force - QLD

It's always good to play in competitions in other states, you get to play against different teams and travelling with the team is always fun.
