- Der kan spilles uafgjort i gruppespillet.
- I slutspillet spilles der 2. min effektiv overtid, derefter afgøres kampen i sudden death (bold besiddelse ved start of sudden death afgøres af possession-pilen). Der er ingen timeouts overtiden.

Rules (U13, U15, U17 categories):

Games are played according to FIBA rules with the following exceptions:

- Games are 2*15 minutes running clock. Clock is only stopping the last 3 minutes of the second half
- Max 4 personal fouls.
- 6 team fouls per half (free throw shooting on the 7th)
- 1 timeout per period
- Running substitutions (when game is stopped)
- We don't play with backcourt on court 1 and 3 in Amagerhallen
- We play 4v4 in grandprix, unless both coaches agree to play 5v5

- No overtime is played in group games. Games may end in a tie.
- In playoff games 2 min. extra periods are played if no winner is found in ordinary time. If a winner is still not found the winner will be found through sudden death (possession at start of sudden death is given according to possession-arrow). No timeouts are allowed in extra periods.
- Protest following a game shall be handed in to cup management no later than 10 min after the game together with a protest payment of 500 kr. which will be returned if the protest is accepted.

Nv. In U13 and U13 grandprix, we are playing with kids 3's. So the team is rewarded 3 point from shots made outside the paint area.
