# WELCOME

I feel honoured to be able to provide this message and welcome all players, volunteers, event staff and spectators to the 2023 Western United Cup in Ballarat.

I was lucky enough to attend the inaugural Western United Cup and I could see straight away what a massive event it was with so many young girls and families out enjoying football.

It is a really special time for football in Australia. I'm sure all of you at the Western United Cup this weekend were keeping an eye on the Matildas in some way during the recent FIFA Women's World Cup.

Whether or not you got to a game in the stadiums or watched on from your TV, everyone had something to enjoy and we all were able to feel part of something incredibly special.

It was a huge month for women's football in our country, and it doesn't stop here. If you enjoyed the Matildas and the World Cup, then there is plenty more to come in the Liberty A-League Women.

We are back in pre-season training and ready to go for our second season. After such an amazing first season where we finished second and made the Grand Final, we are all committed to going one better and bringing some silverware back to the West.

We can't wait to get started and to feel your support at the grounds this season. First and foremost, we do this for our fans and we were so grateful for all of the support in our first season.

Season two is going to be bigger and better than ever and we need you to get behind us again. Make sure you sign up for a membership or a Liberty Pass and get behind us this season.

Make sure as well that you get over to the merchandise van and pay our team a visit, pick up some special Western United Cup merchandise or some Green and Black gear for the season ahead.

For now, I want to wish you all the best for an amazing weekend at the Western United Cup. Good luck to everyone that is playing, and most importantly – have fun.

Go West,

*Alana Cerne*
